Certificated staff members employed in the Pembroke School Department are placed on the teachers' salary schedule according to level of experience (step) and level of education (lane). For all staff, course work may be accepted for horizontal movement on the salary schedule if the course work contributes to the professional assignment or the professional growth of the staff member. Lane change for the first master’s degree or earned doctorate may be completed by providing evidence of the degree with transcript or diploma; listing of hours is not required.

All hours applied to lane change are subject to approval by the Superintendent of Schools.

*All coursework must be transcripted through a nationally accredited college or university.*

Approval for hours earned will be granted to a teacher if those hours meet one or more of the following guidelines:

1. Graduate level courses in the subject area in which the teacher is currently assigned or has been assigned.
2. Graduate or undergraduate (with prior approval) level courses related to the staff member's current or past assignment.
3. Graduate level courses in a general education or an interdisciplinary area.
4. Graduate or undergraduate courses in Spanish or technology.

**Hours that will not count for lane change:**

1. Hours earned prior to the receipt of Provisional/Initial or Professional Educator/Teacher's license.
2. Hours received prior to the date of the granting of a BA.
3. Undergraduate hours unless prior approval is granted.
4. Any course in which a “D” grade or lower is earned.
5. When applying for hours beyond an MA, all hours which were earned prior to the granting of the MA.

**Submission of Lane Change Requests:**

There are two pivotal dates for lane changes: October 1 and March 1. Here is a more detailed reminder of the effective dates of lane change movement.

1. **Effective on the First Day of the School Year**
   Coursework completed and Lane Change Application and transcripts received by human resources by October 1.

   Any lane changes submitted from the start of school through October 1 for coursework completed would be effective from the first day of school and will be retroactive.

2. **Effective January 1**
   Coursework completed and Lane Change Application and transcripts received by human resources by March 1.

   Any lane changes submitted from October 2 through March 1 for coursework completed would be effective as of January 1 and will be retroactive.

*Please submit your lane change request in a timely fashion.*

*Official transcripts must be submitted with this form.*
