Messages From Our Health Office:

Please make sure to pack an extra mask in the bag with your child and check regularly that it is still there. We do have extra masks for students who may forget their mask at home;

however, students are usually more comfortable with the one that is packed for them from home.

Reminder for Current 4th grade families:

Reminder for Current **4th-grade families:**

Massachusetts General Law 105CMR200.200 requires that all students entering grade 4 provide the School Nurse with a current physical examination. If your child has not had a physical examination since September 1, 2019, please schedule an appointment and send in a copy of the report upon completion. If your child has had a recent physical examination, please send in a copy if you have not done so already.

Handbook Addendum

Thank you to all of our families that have returned the elementary school handbook addendum signoff for online learning. **Please let the office know if you need another copy as we are trying to have all of the signoffs back to the office by early next week.**

Online Behavior

This is just a reminder that students should be present on all online instruction days. Please remind your child to keep the camera on during the session. The students have been great at following the online expectations that were sent a few weeks back as part of the addendum to the elementary policy for online learning. If you need another copy, please call the office and we will be sure to send one along!

Virtual Open House

Hobomock Elementary School's virtual open house will take place on Wednesday, October 14th from 6:30 PM-8:00 PM.

While this is not an appropriate time to ask questions specific to your child, the presentation will cover information regarding curriculum, expectations for online and in-person learning, and sharing grade-level curriculum resources.

Presentations will be by grade level and will rotate, allowing families to join multiple presentations in the evening. Cohort D teachers housed at Hobomock (Grades K and 2) will also host separate presentations that evening. In the event that your child is placed in cohort D and the teacher is not housed at Hobomock, you will be notified by your remote teacher of what night to attend. The school administration will also host Q & A sessions. A schedule with Google Meeting links and phone numbers specific to each team and grade level will be sent via broadcast email next week.

Absence Phone Line/Email System

In the event that your son or daughter will need to be absent from school, you may call **781-294-2003** and leave a detailed message with your child's name, the reason for the absence as well as any symptoms that your child is displaying.

Email System

You may also elect to use our dedicated email system if your child will be out of school by emailing HobomockAbsence@Pembrokek12.org

HES Afternoon Pick Up Form

Parent pickup procedures

Thank you to our parents that have been working with us as we revised our parent pickup procedure over the past couple of weeks. In the event that you have difficulty scanning the QR code, you can always access the Google form by using the following address:

https://docs.google.com/forms/d/1j0UnTYG_IVV1sYNAvyuxRMmU2-yH8yH1h9UKQK0mFWA/edit

*In the event that you do not have a mobile device available to you, simply ask a staff member for assistance at dismissal.

**You may want to keep this QR Code in your car and make copies for family or friends that might be picking up child(ren)

Did your child forget something important at home?

In the event that your child forgot something important at home, parents may drop off the item on the table that is located outside of the front doors. Parents will not be allowed to enter the building so please be sure to place a label on the item with your child's name. Thank you!

Monday Specialists

Hobomock Art, Music, and PE have been offering Monday morning Google Meets separately the past couple weeks.

Starting **Monday, October 5th**, we will combine and have students join with the code:

Mindful Mondays

Beginning Monday, **October 5**, students will have an opportunity to check in with our mental health staff here at Hobomock. All students, regardless of cohorts are encouraged to touch base with Mr. Lisi (Hobomock psychologist) and Mrs. Theriault (Hobomock social worker) from 10:30-11:00 AM. The staff will be talking about how it is normal to feel a bit anxious during the start of school, especially with all of the new procedures that are in place to support student health. Students can log on using the Google Meet information below.
