Dear Pembroke Families, Teachers, and Staff,

To streamline COVID communication and provide the most accurate information possible, our focus going forward will be on updating and maintaining our PPS Covid-19 Dashboard. The updated dashboard will take the place of community notification letters for individual cases. Our **Covid-19 Dashboard** will be updated each day and is the best source of current information as we continue to review each reported case in our community. We evaluate COVID data daily and collaborate with our state and local health agencies as needed. Our objective is to keep students in school while minimizing the impact of COVID-19 on our students, staff, and community.

Thank you for your continued support. Please feel free to reach out to your child's school or me with any questions or concerns.

Sincerely,
Erin
